Dental/Medical insurance plans do not normally provide full coverage of your dental bill. Your dental/medical coverage is a contract between you and your insurance company, and while we will cooperate to the fullest in expediting your claim, you are ultimately responsible for your account. **Your portion of the bill will be due at the time of service.** If your insurance has not paid within 60 days from the date of service, we will look to you for prompt payment of the account.

Consent

Our office requires that all cancellations be made within a minimum of 48 hours' notice. Appointments cancelled without more than 48 business hours' notice or failed appointments (no-show), will be subject to \$50.00 fee. Insurance claims are filed as a courtesy, but it is my responsibility to see that the claims are paid. I fully understand that I am responsible for payment of fees not covered by insurance. I also assign all benefits to Provider. I authorize the submission of claims without obtaining my signature on each and every claim submitted. I give my authorization and consent for treatment after having a full explanation of proposed treatment, alternatives, and risks by my doctor. I have been advised of my privacy rights as provided by the Healthcare Information Portability and Accountability Act of 1996. I hereby authorize this Provider and its employees, agents and assignees to contact me through my provided contact methods.

I understand that, due to any false information, I will be subject to criminal prosecution.
